Courage Ssewanyana's practice covers Employment, Pensions, and International Organizations advisory. Courage advises on a range of matters: regulatory compliance, employment and pensions, contracts drafting, reviews, renewals and termination, commercial law, real estate, non-governmental organization taxation, project operations, and dispute resolution. Courage also specializes in all aspects of employment and employee benefits law, both contentious and non-contentious, and works with general and in-house counsel, employment advisers and directly with the operation in handling employment and benefits issues.
