 [LinkedIn profile](#)

Elsie-Michelle Irakoze advises on membership obligations and implementation of regulations in the East African Community (EAC).

Elsie helps clients to identify tax risks in respect of VAT, capital gains, PAYE, withholding tax, quarterly installments, advance tax on income and corporate tax and transfer pricing. She gives her clients accurate, up-to-date information and advice to minimize their tax exposure and help them resolve disputes with the tax authorities.

Her clients include cross-border companies, telecommunications companies, microfinance companies, non-governmental organizations, and private or government-owned companies.
